# GENERAL TERMS AND CONDITIONS FOR LEASING OF EXHIBITION FLOOR SPACE

## 1. SCOPE AND ENFORCEABILITY OF THE STANDARD TERMS

These Standard Terms and Conditions of Exhibition Floor Space Letting and stand equipment are systematically handed over or communicated to each exhibitor in order to enable the latter to apply for admission to the exhibition. Consequently, each application implies acceptance in full and without reservation by the exhibitor of these Standard Terms and Conditions of Exhibition Floor Space Letting and stand equipment. Unless formally agreed in writing by the Organizer, no special condition shall prevail over these Standard Terms and Conditions. Failing such express acceptance, any contradictory provision on the part of the exhibitor shall not be enforceable via-à-vis the Organizer, regardless of when the provision is notified to the latter.

## 2. ADMISSION

Applications for admission shall be submitted to the Organizer. Receipt of the application by the Organizer shall imply that the prospective exhibitor has duly perused the exhibition rules and regulations as set forth in the exhibitor's application file and that it accepts them unconditionally. Requests for admission by applicants that are experiencing financial hardship and/or that are debtors of and/or parties to a dispute with the Organizer or its group shall not be considered.

In any event, all goods, products or services presented by the exhibitor shall conform to Mauritian regulations and standards and shall fall within the scope of the Organizer's nomenclature of acceptable exhibit items. No application shall be considered unless it is duly signed by an authorized officer of the applicant firm. Rejection of an application shall not give rise to any claim for damages. Admission to the exhibition will be confirmed by an official notification on the part of the Organizer to be sent to the exhibitor within a reasonable period. Except the Organizer refuses the admission of the exhibitor, the signature of the application form or its validation on line constitutes a firm and irrevocable commitment.

## 3. SUBLETTING

The exhibitor may not display in its space any equipment, products or services other than those listed in its application for admission and accepted by the Organizer. It may not provide advertising services in any form whatsoever for non-exhibiting firms. It shall not assign or sublet the space allocated, whether in whole or part without the express consent of the Organizer.

## 4. ALLOCATION OF STAND SITES

The Organizer will draw up the floor plan for the event and allocate stand sites as and when applications for admission are approved. The Organizer will, to the largest possible extent, consider the wishes of the exhibitors and the nature of the exhibits. The Organizer reserves the right to modify the size and layout of the areas rented by exhibitors as many times as may be deemed necessary. Participation in previous events does not confer upon the exhibitor any right to particular stand sites. Exhibitors will be notified of the allocation of a stand site in the form of a floor plan to be sent seven (7) days before the start of the exhibition. Any claim relating to the stand site that has been allocated to an exhibitor will be considered only if made in writing and addressed to the Organizer within the seven (7) days following receipt of the distribution plan. Such claims must be supported by documentation justifying the actual and serious reasons for the claim. The Organizer will do his best to satisfy any justified requests for site modification. At the end of the above seven-day (7) period, the exhibitor will be deemed to have accepted the stand site as allocated. In no event will the Organizer be responsible to the exhibitor with respect to any consequences arising from the stand site allocated.

## 5. ORDERS FOR STAND EQUIPMENT

The demands of booking of stand equipment must be sent to the Organizer in writing or by e-mail. No demand can be accepted by telephone. Any claims regarding his plan shall only be considered if they are made within ten (10) days from the time the plan of the stand is sent. The subcontractor shall do its utmost to comply with any requests for modification. Expiration of the ten (10)-day period shall constitute the exhibitor's acceptance of the plan for the stand and all the related services. Organizer or the subcontractor shall under no circumstances be liable with respect to the exhibitor for the consequences that may arise due to the absence of a claim made within the aforementioned time limit.
